NorthEast-Millerton Library

The year 2019 was an exciting one for the Library. It was a year of growth and change but without the support of our community, would not have been possible. We were able to welcome the Friendship Center into our Annex, celebrated ten years of Music in the Annex, and took greater steps to give back. As we move into this uncertain time, we are so grateful for the foundation and support this community has given us. Although our doors are not currently open, know that we are still here to serve you.

Sincerely,

Rhiannon Leo-Jameson, Director
